Dated: 31.03.2017

Dear Sir/Madam,

Subject: Web based publicity of Advertised Tender Enquiry. (ATI)

Rules 27.9.1 (ii) of Panjab University Accounts Manual provides that where the value of goods/services to be procured is more than 15 lakh, the university shall issue the tender inquiry through the News Paper. Besides this, such a tender inquiry shall also be uploaded on university website which should be linked with the website of NIC.

It has been learnt that although the Departments are uploading the information of ATIs on the P.U. Website but, the Computer Centre is yet to link the University Web page (containing the tender inquiries) with that of NIC. In this context, the Vice Chancellor has ordered that the Computer Centre shall take necessary action for linking the university web page (containing the information of advertised tender inquiries) with that of NIC. Till then, the department shall continue to upload their advertised tender inquiries on the university web page.

This is for your information and necessary action.

Yours sincerely,

  
Finance & Development Officer,
